

## EC Certificate of Factory Production Control

**Certificate No. 0086 - CPD - 593841**

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction product

### Structural Products

#### Precast concrete product types:

#### Precast concrete beams for use in beam-and-block floor systems

Declaration method(s) used:

Method 2, Declaration of precast product properties by the producer

placed on the market by

#### **Litecast Limited**

Pool Road, Nuneaton, CV10 9AE, United Kingdom

and manufactured in the factory located at

Pool Road, Nuneaton, CV10 9AE, United Kingdom

is submitted by the manufacturer to initial type testing of the products, a factory production control, and to the further testing of samples taken at the factory in accordance with a prescribed test plan, and that the notified body No. 0086, BSI, has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of factory production control. This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the harmonised European Standard

### EN 15037-1:2008

were applied.

This certificate remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.

For and on behalf of BSI, a Notified Body for the above Directive, Notified Body Number 0086.

Gary Fenton, Global Assurance Director
